OBITUARY NOTICE

U. L. Guehler

The Society regrets to record the death of Mr. U.L. Guehler, age 56, member of the Council, which occurred in Hamburg, Germany on 26th August 1950.

In the meeting of the council of the Siam Society held on 14th September 1950, the President, H.H. Prince Dhani Nivat, recalled that the late Mr. Guehler had served the Society strenuously since 1929 and was on the Council for many years in the function of Vice President as well as Leader of the Natural History Section. The Council then rose and observed one minute of silence in respect of the deceased.

The Society greatly benefitted from Mr. Guehler's scientific research concerning Siam in the fields of Natural History, Archaeology, Numismatology and History, and the results of his work were published mainly in the Journal and in the Bulletin of the Society. The bibliography of Mr. Guehler's scientific work contains 13 papers of which 10 were published by the Society.

Mr. Guehler was a true friend of Siam.

Bangkok, July 29th, 1951.
