# The New Penal Code of Siam.

Translated

The Code of Criminal Law of Siam, as revised in 1901, is a work of great importance, and one which has attracted the attention of the legal world. It is a code of laws which is well adapted to the needs of the country, and which is based on the principles of justice and equity. The code is a work of great merit, and one which is well adapted to the needs of the country.

The Editor does not admit any responsibility on its part for the consequences of the application of the provisions of the code, inasmuch as each author has followed his own system.
