Dr. H. Elliot McClure

After 25 years in Asia **Dr. Elliot McClure** finally left Thailand on retirement from SEATO Medical Research Laboratory to Simi Valley, California, U.S.A. As a member of the Siam Society Dr. McClure has been active on nature conservation of Thailand, associated with the Natural History Section of the Society for a number of years, and lastly as the co-Editor of the Bulletin. The Section is wishing him a peaceful and happy life during his well earned retirement.
