

The Hong Kong Bird Report 1984/1985. Records compiled by M.L. Chalmers; edited by V. Picken. The Hong Kong Birdwatching Society. Hong Kong. 127 pp. (1987). Softback. US\$5.50.

The latest Hong Kong Bird Report provides a summary of all records of rarities and other species of local interest, including breeding records, for the years 1984 and 1985. In addition, there are 6 papers, 2 of which deal with the status of Hong Kong birds (1984 and 1985 waterfowl counts in Deep Bay; the 1985 Christmas Bird Count) and 4 of which deal with birds in mainland Chinese localities.

The report is available from The Hong Kong Birdwatching Society, GPO Box 12460, Hong Kong. The price of US\$5.50 includes the cost of surface mail.
