

ADDENDA

TAN, B.C, ZHI-HUA LI and PAN-CHIEN LIN. 1988. The Hainan-Mindoro connection, an obscure pathway for plant migration in Southeast Asia. *Nat. Hist. Bull. Siam Soc.* 16: 7–15.

Additions and corrections to figure legends:

Figure 1. (modified after Holttum, 1985).

Figure 2. *Syrrhopodon burmensis* should read *S. robustiusculus* (see W. Reese, 1987, *Bryologist* 90: 206 for reason of name change).

Figure 3. (modified after Seddon, 1971).

Figure 4. (modified after Whitehead, 1972); cf. Whitehead, 1972, for explanation of the numbers which represent the species of *Axis*).
