

# CONTENTS

## Commentary

- IAN G. BAIRD, Conducting Rapid Biology-Based Assessments Using Local Ecological Knowledge ..... 167

## Research articles:

- SHUNSUKE SUZUKI, SHUMPEI KITAMURA, MASAHIRO KON, PILAI POONSWAD, PHITAYA CHUAILUA, KAMOL PLONGMAI, TAKAKAZU YUMOTO, NAOHIKO NOMA, TAMAKI MARUHASHI, AND PRAWAT WOHADEE, Foraging Activity Patterns of Frugivorous or Omnivorous Animals on the Forest Floor of a Tropical Seasonal Forest in Thailand, with Reference to Seasonal Changes ..... 177
- NATTHA WATTANARATCHAKIT AND SOMPOAD SRIKOSAMATARA, Small Mammals around a Karen Village in Northern Mae Hong Son Province, Thailand: Abundance, Distribution and Human Consumption ..... 195
- T. KASUYA, S. PHONGPAICHIT, AND Y. DISSARA, Two Pantropical fungi, *Lygalopsis solmsii* and *Morganella fuliginosa* (Basidiomycota, Agaricales, Lycoperidaceae) New to Thai Mycobiota ..... 209
- PATRICK J. BAKER AND SARAYUDH BUNYAVEJCHEWIN, Bark Thickness and the Influence of Forest Fire on Tree Population Structures in a Seasonal Evergreen Tropical Forest ..... 215
- ANDREW MAXWELL, CHEA NARETH, DUONG KONG, AND ROBERT TIMMINS, AND J. W. DUCKWORTH, Hog Deer (*Axis porcinus*) Confirmed in the Wild in Eastern Cambodia ..... 227
- MD. ENAMUL KABIR AND EDWARD L. WEBB, Saving a Forest: The Composition and Structure of a Deciduous Forest under Community Management in Northeast Thailand ..... 239
- TYSON R. ROBERTS, Rediscovery of *Glyphis gangeticus*: Debunking the Mythology of the Supposed “Gangetic Freshwater Shark” ..... 261
- TYSON R. ROBERTS, A New Record for the Speartooth Carcharhinid Shark *Glyphis glyphis* from Pulo Condor, South China Sea ..... 279
- TYSON R. ROBERTS, *Makararaja chindwinensis*, a New Genus and Species of Freshwater Dasyatidid Stingray from Upper Myanmar ..... 285

## Notes:

- APISIT THIPAKSORN AND SATAPORN WANTHANAWIJARN, Record of *Phrynichus orientalis* (Arachnida: Amblypygi) from Khao Chamao – Khao Wong National Park, Eastern Thailand ..... 295
- TYSON R. ROBERTS, Two Southeast Asian Species of the Cyprinid Fish Genus *Labeo*, *L. erythropterus* and *L. pierrei* ..... 299

**Review:**

*How to Plant a Forest: The Principles and Practice of Restoring Tropical Forests*, compiled by Stephen Elliott, David Blakesley, J. F. Maxwell, Susan Doust & Sutthathorn Suwannaratana, reviewed by Dietrich Schmidt-Vogt .....

305

Cover photo: A Malayan porcupine (*Hystrix brachyura*) feeding on arils of *Aglaia lawii* (Meliaceae) in Khao Yai National Park. Photograph taken by remote camera at 2113 h, 6 April 2001, by Shunsuke Suzuki and Shumpei Kitamura. See article on page 177 by Shunsuke Suzuki et al.
